THE WOMEN WILL ASSIST SALE WAR SAVINGS STAMPS

The Woman's committee is asked by our government to assist the men's committee in the War Savings Stamp drive from June 14 to 28. Letters have been sent to the township chairmen and all women organizations in the county asking their cooperation in this work.

The following organizations have been urged to join the Woman's committee in all the work the government asks us to do:

The Home Demonstration clubs, (through their agents, Misses Willie Mae Wise and Ethel Counts,) Drayton Rutherford chapter, U. D. C., Calvin Crozier chapter, U. D. C., William Lester chapter U. D. C., the Woman's club of Newberry, the Woman's club of Whitnair, Daughters of American Revolution, Winthrop Daughters, Bachelor Maids, King's Daughters, Woman's Christian Temperance Union of Newberry, Utopia and Prosperity, Literary Sorosis of Prosperity, Equal Suffrage League, Library Association and the colored woman's committee.

If any woman's organization has been omitted, please phone the chairman. She endeavored to get a complete list and will appreciate the names of clubs not mentioned above.

The following letter was sent these organizations:

"The Woman's Committee wishes the cooperation of — (organization) in the work the government is asking us to do.

Our departments of war work are: Food production, food conservation, child welfare, educational propaganda, Liberty loan, Red Cross and War Savings stamps and allied relief. If as an organization you do anything along any of these lines, we shall be glad to have a report of work accomplished.

The most urgent work for the Woman's Committee during June is the War Savings stamps drive—June 14 to 28.

If your organization will join us in this patriotic work, please send chairman report of amount of stamps sold by you by July 1.

Will you not throw yourselves wholeheartedly into this drive? We are asking all woman's organizations to join the Woman's Committee and use their equipment to carry out the wishes of the government to the extent of their ability.

Let each one of us do her best that Newberry county may stand unafraid and unshamed when the roll call of the nations is given after the war is won."

The township chairmen are urged to get their committees in readiness for the drive. Some townships need a little more "pep" in order to keep pace with the others.

A report of amount of stamps sold

in each township in each school district if the township chairmen will so report it to the county chairman—and by each woman's organization will be published at the close of the campaign.

Let every committee be ready for the word "go!" If you feel a little tired, think of the boys "over there." They stay "on the job" for your defense. What will you not do for them?

Believing that the women of Newberry county will exert themselves to push this drive to a grand finality, I am,

Yours for Home and Country,
Frances Rawl-Morris.
County Chairman Woman's committee, Prosperity, June 7.

Silver Wedding.

On Thursday evening, June 6th, Mr. and Mrs. J. H. Wise of Little Mountain celebrated their silver wedding. Invitations were issued to more than three hundred people and many guests called during the evening to offer good wishes and congratulations to the bride and groom of 25 years ago.

Receiving at the front door were: Misses Mayme Swittenberg and Elberta Sease who ushered the guests into the parlor. There receiving with Mr. and Mrs. Wise were their daughter, Miss Evelyn Wise, and their soldier son, Burke Wise, who was home from Ft. Moultrie on a short furlough.

Later in the evening the many guests were shown into the spacious dining room where an old-fashioned wedding supper was served:

MENU
Rice Giblet Gravy
Turkey Dressing Ham
Iced Tea
Ice Cream Pound Cake
Mints
Cigars.

At a prettily appointed corner of the front porch, Misses Luetta Wheeler and Ada Brady served punch.

The entire lower floor of the home was decorated in red, white and blue. In the center of the hall was draped a beautiful silk flag and many small flags were in evidence. Bowls of shasta daisies were used throughout the house.

The popularity of the "bride and groom" was evidenced by the many, handsome and costly presents which were received from their friends in this and other states.

The out-of-town guests were: Rev. and Mrs. O. B. Sherouse, Lexington; Mrs. D. E. Farr, Irvin, Tenn.; Mrs. John Page, Charlotte, N. C.; Mr. J. J. Dreher, Manning, S. C.; Mr. and Mrs. Carl Huffman, Columbia, S. C.; and many relatives and friends from Prosperity and Newberry.

SUCCESSFUL CLOSING LITTLE MOUNTAIN SCHOOL

Little Mountain graded and high school has just closed the most successful year in its history. Under the able supervision of Miss Swittenberg this school has pushed to the front and is now one of the very best schools in the state.

At the closing exercises Monday night Rev. E. V. Babb of Newberry, delivered a fine address to the many people present on "National Service." Diplomas were delivered by the principal to Misses Ada Brady, Luetta Wheeler, Ollie Metts, Frank Wise, Raymond Shealy, Dewey Epting, of Newberry, George Summer, George Haltiwanger and Clarence Lindler. The first honor of the class was awarded to Miss Ollie Metts and second honor to Miss Ada Brady. The Newberry college scholarship was won by George Summer, he having made the highest average of any boy in the class.

Mr. E. H. Aull was present and delivered the Aull essay medal, which was won by Miss Ollie Metts. Miss Estelle Wheeler was the winner of the seventh grade prize.

A very patriotic act on the part of the graduating class, was the presentation of a big service flag to the school. This flag has 18 stars, representing 18 sons of the school who are now in active service for their country. These boys are: George Derrick, Ft. Moultrie; Burke Wise, Ft. Moultrie; Rob. Lee Riser, Camp Jackson; Horace Shealy, Camp Jackson; Keister Counts, Camp Jackson; Julian Boland, Ft. Screven; Evans Shealy, Pensacola; Bernard Shealy, London; Elmer Shealy, Scotland; Virgil Shealy, Camp Sevier; Roscoe Aull, navy; Clarence Kempson, navy; Oscar Counts, navy; Ward Fulmer, Ft. Moultrie; Heber Ballentine, Washington; Karl Dreher, navy; Alvin Kempson, navy; John Stoudermire, army.

It is regretted very much by patrons and pupils of the Little Mountain school that Miss Swittenberg will not return to Little Mountain next session. She has accepted work elsewhere and the good wishes of the community go with her.

Many Are Lending Their Lives—What Are You Lending?

Thousands of our boys are going down into the trenches today—clean-faced, determined, splendid young men. Many are soon to join the army of the lame, the blind or the dead.

You can at least go down in your pockets for them.

Think it over—be ready on

JUNE 28th NATIONAL WAR SAVINGS DAY

There's an army. Yes, a dozen armies—of stalwart, wind-bronzed, young men standing between you and the grizzly Hun. These young fellows are giving their ease, their comfort, their friends and homes, their bodies, the hope of life—giving for you—for you.

You can at least loan your dollars for them.
